2500 Research Park Drive  
Lexington, KY 40511-0879

**Fill out release and indemnity form, sign, and return with registration form**

## **Geological Society of Kentucky Release and Indemnity Form**

I, \_\_\_\_\_, in consideration of the receipt by me of permission from the Geological Society of Kentucky ("GSK") to participate in a field trip in the vicinity of Clifty Falls State Park in Madison, Indiana, to be conducted on **November 5, 2016**, and sponsored by the GSK, the receipt of such permission being hereby acknowledged, and being fully aware that the field trip may involve hazardous and/or dangerous activities, and/or be in a location in and/or around other hazardous and dangerous conditions, and recognizing and accepting the risks, known and unknown, involved in a field trip, hereby release and will indemnify, defend, and hold harmless GSK, the agents, officers, servants, and employees of GSK, and the leaders of the field trip (collectively referred to as "indemnitees") of and from any and all liabilities, claims, demands, actions, and causes of action whatsoever arising out of or relating to any loss, damage, or injury, including death, as may be sustained by me, and to any loss, damage, or injury to any property of mine while involved in any way with the field trip, including without limitation traveling to and from the site or sites of the field trip and at and during all stops and layovers during the field trip.

This release and indemnity includes without limitation liabilities, claims, demands, actions, and causes of action to or by third parties as well as to or by me. This release and indemnity includes without limitation liabilities, claims, demands, actions, and causes of action arising out of or relating to any loss, damage, or injury caused in any way by the concurrent or contributory negligence of any indemnitee. This release and indemnity includes without limitation liabilities, claims, demands, actions, and causes of action arising out of or relating to any loss, damage, or injury caused in any way by the sole negligence of any indemnitee. Having made all inquiries deemed by me to be appropriate, I hereby voluntarily assume all risks of loss, damage, or injury, including death, as may be sustained by me or any property of mine while involved in any way with the field trip.

In the event the release by me of any indemnitee of any liability, claim, demand, action, or cause of action described herein is determined to be invalid or unenforceable, I agree that my total recovery of damages from the indemnitees, or any of them, both actual and punitive, shall be limited to \$100 or the cost of admission to the field trip, whichever is less.

In the event any provision of this Release and Indemnity Agreement is determined to be invalid or unenforceable, all other provisions hereof shall continue to be enforceable and shall be interpreted as though said invalid provision had never been contained herein. This release shall be binding upon my distributees, heirs, next of kin, executors, administrators, and personal representatives.

**In signing this release and indemnity agreement, I hereby acknowledge and represent that I have read the foregoing release and indemnity agreement, understand it, and I have signed it voluntarily. I understand and agree that I would not be allowed to participate in the field trip if this release and indemnity agreement were not signed and agreed to by me, and that the agreement by me to the terms and conditions of this release and indemnity agreement is an essential part of the consideration from me, for me to be allowed to participate in the field trip.**
